Doyon, Limited Endorses Senator Lisa Murkowski

On September 25, 2010, the Doyon, Limited Board of Directors approved a resolution endorsing Lisa Murkowski as a write-in candidate for the U.S. Senate seat she now holds. This is the first time the regional Native corporation for Interior Alaska has publically endorsed a political candidate.

Doyon, Limited President and CEO Norman L. Phillips, Jr., stated "Lisa Murkowski is a leader who works hard for all Alaskans. Over the past eight years she has built meaningful relationships with powerful Members of Congress that benefit Alaska. Her list of legislative accomplishments for Alaska speaks for itself; supporting natural resource development, oil and gas exploration and production in Alaska; transferring federal lands in Alaska; maintaining a strong military presence in our state; reducing taxes and government interference for business growth and jobs in Alaska; securing energy solutions for Alaska; advocating for high performing schools and building a strong university system in Alaska. We are endorsing Lisa Murkowski because she has a proven track record that benefits all Alaskans."

Headquartered in Fairbanks, Alaska, Doyon is one of the 12 original regional Native corporations set up under the Alaska Native Claims Settlement Act of 1971 and is one of the top 10 Alaskan-owned businesses in the state. The company is the largest private land owner in Alaska with nearly 18,000 shareholders and 2,600 employees. Doyon's mission is to continually enhance its position as a financially strong Native corporation in order to promote the economic and social well-being of its shareholders and future shareholders, to strengthen its Native way of life, and to protect and enhance its land and resources.
