Honoring

OUR MILITARY SERVICE MEMBERS
PAST & PRESENT
Respected Athabascan leader and Doyon Elder
Richard Frank was born August 2, 1927 and passed away September 20, 2012 in Fairbanks at the age of 85. Mr. Frank, the youngest of 10 children, grew up living the subsistence lifestyle, moving between Rampart, Stevens Village, and Minto lands. Mr. Frank became involved in community projects at a very young age, and joined the workforce at age 13. At age 18, Mr. Frank enlisted in the Army Air Corps and served in the Pacific theatre during World War II.

After serving for the Army Air Corps, Mr. Frank was hired as an aircraft mechanic for Wien and Boeing on the North Slope. He also worked on the Tanana and Yukon River “steamboats” carrying freight to rural areas of Alaska. He later met his wife, Rev. Anna Frank, with whom he had daughters Roxanne and Robin Frank, and sons Parker and Darrell Frank. In the 1960s, Mr. Frank was a distinct advocate for Alaska Native rights and land claims, serving as chief of the Minto Tribal Council, president of the Minto Village Corporation, and a board member of Tanana Chiefs Conference. In 2001, he was appointed by Governor Tony Knowles to the Alaska Veterans Advisory Council.

Mr. Frank was recognized in the September 21, 2012 edition of the Congressional Record, in an article stating Mr. Frank’s “leadership, recognized throughout the state is one of the reasons that the Native people of Alaska won their battle for land claims with the passage of the Alaska Native Claims Settlement Act of 1971,” ensuring that his life and work will remain a permanent part of America's history.
