**Doyon Announces Doyon Settlement Trust Distribution:
\$14.25 per unit, scheduled for December 7**

Fairbanks, Alaska – Today, the Doyon Settlement Trustees approved the Doyon Settlement Trust (DST) distribution amount of **\$14.25 per unit, or \$1,425 per 100 units** based on FY21 performance. This distribution is scheduled to be paid out on **Tuesday, December 7, 2021** to all shareholders (Class A, B, C, D, and E.)

This non-taxable distribution will be a one-time payment, unlike the past two years. Shareholders should not expect a second distribution in July.

“We heard from our shareholders that a one-time distribution in December was preferred, rather than two,” said Aaron M. Schutt, President and CEO. “We are very proud to be in the financial position to pay a distribution for the 35th year.”

Doyon urges shareholders to update records as needed by Monday, November 22, 2021. Contact the Records Department at 907-459-2040, 1-888-478-4755 (toll-free), or records@doyon.com.

Headquartered in Fairbanks, Doyon, Limited has more than 20,400 shareholders and was established under the 1971 Alaska Native Claims Settlement Act. Doyon has subsidiaries in oilfield services, government contracting, and tourism, is also the largest private landowner in Alaska and one of the largest in North America. Its mission is to continually enhance its position as a financially strong Native corporation in order to promote the economic and social well-being of its shareholders and future shareholders, to strengthen its Native way of life, and to protect and enhance its land and resources.
