

Daaga' Award

APPLICATION DEADLINE: January 13, 2023

Daaga' represents the unified efforts of Native leaders to promote drug and alcohol-free communities.

Daaga' encompasses the following beliefs:

The source of healing lies in the ability of local people to help themselves.

- ◆ Events/programs should also look into other sources of financial support as Daaga' awards are limited, and new applicants will be given preference.

We should utilize the strength of our traditional values to focus on a healthy vision of the future.

- ◆ Events/programs should promote traditional values (e.g., traditional artwork instruction, learning beadwork, hunting, trapping, as well as promoting drug and alcohol-free lifestyles).

We should work together to promote programs that integrate the spiritual, social, and economic needs of our people.

- ◆ Events/programs should be well advertised to surrounding areas to include the greatest number of shareholders.
- ◆ Doyon requires a final report after the proposed project to include in publications to shareholders.

Daaga' proposal application must include the following.

Document Checklist:

- Provide a project description
- How does your event/program promote traditional values
- How will you advertise your event/program?
- Please include a financial report/statement of need.
- What other sources of funding have you applied for?
- Who is your targeted audience?
- Provide a timeline for the event/program?
- Provide a letter of support from your village council/tribal office.

INCOMPLETE APPLICATIONS WILL NOT BE CONSIDERED, ALL MATERIALS MUST BE SUBMITTED BEFORE THE DEADLINE.

Awards are limited and may be granted up to **\$3,000** per funding period. Depending on the number of proposals received and the need, the selected proposals may not always be funded for the full amount requested. For this reason, Daaga' should be considered a supplement to the funding for a project.
